SUITED

Choreographed & Performed by Sadi Mosko & Carolyn Silverman

Original Score by Paul Bloom
(feat. music by Jess Best & Connor Schultze)

Choreographers' Note: *SUITED* delves into the perceptions and expectations of femininity inside a divisive yet inclusive modern world. It explores connections between organization, chance, and chaos, examining how the intermingling of seemingly opposite phenomena shapes the world around us.

SUITED was originally performed by Juliana DeVaan, Nadia Halim, Sadi Mosko, Nicole Rondeau, Carolyn Silverman, and Kennedy Thomas at Glicker-Milstein Theatre (NYC) in 2017. It was transformed into a duet for a performance at Treefort Music Fest (Boise, Idaho) in 2018.

Show Run Time: 80 minutes (including intermission)
